Предисловие:

Данное электронное учебное пособие создано для систематизации языковых умений школьников в обучении английскому языку в начальной школе:

- составление монологического высказывания по темам;
- чтение с целью извлечения информации;
- чтение вслух;
- выполнение грамматических тестов;
- выполнение ответа на письмо друга по образцу;
- выполнение творческих заданий.

Материалы пособия ориентированы на использование их как дополнение к основному УМК, во внеурочной деятельности и как контроль умений учащихся выстраивать монологическое высказывание по изученным темам. Пособие эффективно готовит школьников к ВПР.

Спектр заданий способствуют эффективному сочетанию учителем традиционных форм обучения и новых технологий:

- технология коммуникативного обучения;
- технология разноуровневого обучения;
- технология индивидуализации обучения;
- технология критического мышления.

В данном электронном учебном пособии отражены современные подходы к подготовке учащихся к овладению иноязычной речью в контексте требований ФГОС.
